I am delighted to give my support to a younger candidate in this election. Over the past year I have been instrumental in securing £1.54 million to improve Jubilee Park and Swimming Pool. Craig has worked with me throughout in his capacity as Chairman of the Friends of Jubilee Park. Coupled with his involvement as a School Governor, this makes him the ideal person to represent Woodhall Spa at East Lindsey. I know Craig will work hard to secure the future of Jubilee Park for the next 25 years.

Thank you for electing me to represent you in the past.

Dear Elector

As residents of Woodhall Spa for the past 21 years my family and I have benefited greatly from living in such a wonderful community. We value the quality of life that Woodhall Spa and its surroundings have given us. Our children have enjoyed good schools, excellent sporting facilities and access to many community groups that have enriched their lives.

Being involved in a local family business I am mindful, also, of the importance of ensuring the future economic well being of our village, not only for this generation of residents but future ones too.

I have been fortunate to serve as a Governor at St Andrew's C.E. Primary School for over ten years and as Chairman of Governors for the past three years.

I am also pleased to be involved in the Friends of Jubilee Park serving as Chairman to a dedicated and effective committee of concerned residents. We have recently helped to secure £1.54 million to refurbish the pool facilities.

It would be a privilege to represent this ward at East Lindsey District Council. I feel that my community involvement has given me a good understanding of local issues and concerns.

Yours sincerely

*Craig Leyland*
